Richard Hayman At Christmas Ball; Activities Fee Raised By 4-1 Margin

The referendum, proposed by Student Council to raise the Student Activities fee from six to eight dollars, which had been in contest for three years, was finally passed by the student body in an overwhelming vote of confidence two weeks ago.

The raise will go into effect at the beginning of next semester. A total of 741 students voted, with 597 of them voting yes to the proposed action, and only 144 turning the bill down, thus passing it by a 78.4% majority. Only 640 students were needed to vote and of them only 67% yes votes were necessary to pass the bill.

Barrett Thanks School

Richard Barrett, President of Student Council, in announcing that the referendum had been passed, said, "I can never thank the students of this school too much for what they have done, it will mean a great deal more to them than they realize now, and I only hope that we will live up to their expectations."

"I would also like to thank the members of Council who were active in the campaign," he continued, "and the Political Relations Forum who conducted the balloting. It is a great day for UBites."

With the added money that Council will receive as a result of the bill, the minor groups on campus that were cut off the allocation list early in the semester will probably be reinstated by the governing body, with the larger groups on campus receiving considerable raises in their grants.

(continued on page 4)

Typing Institute Set For Today

A typewriting institute conference will be held on the University's campus this afternoon and evening for business teachers throughout the state in order that they might be brought up to date on the latest teaching principles.

Professor Dan D. Lessenberry, Director, courses in business education at the University of Pittsburgh, and co-author of College typewriting, will be the principal speaker and will give a demonstration of teaching practices, using 15 students from Warren Harding High School.

The confab is sponsored by the business teachers of Fairfield and New Haven Counties, under the supervision of the Connecticut State Department of Education.

Dr. Marie L. Jaeger, Director of the Weylister Secretarial School will serve as hostess at the affair.

Tri-Sponsored Confab Here For Personnel

"Personnel, Productivity and Profit" was the theme for the day-long Fall Personnel Conference for personnel men throughout the state which took place at the University last Tuesday. Sponsoring organizations were: The American Society for Personnel Administration, The Greater Bridgeport Personnel Association and the University.

Ellsworth S. Grant, Vice President and Industrial Relations Director of the Allen Manufacturing Company in Hartford was the keynote speaker. Mr. Grant is the founder and co-ordinator of Hartford's Small Plant Group Medical service; Director, West Hartford Publishing Company and Director and member of the executive committee, at the Kaman Aircraft Corporation in Bloomfield.

Six Workshops

Six individual workshops highlighted the conference and each of the represented personnel were placed on a panel for discussion. The workshop topics included: "Improving Employee Interviewing and Selection Techniques," "An Effective Training Program," "Clear Communication Channels," "Maintaining Continuity in Wage Administration," "Trends in Employee Counseling," and "Putting Your Personnel Dollar to Work."

The Connecticut Personnel and Guidance Association will hold a conference at the University Saturday. The theme for this discussion will be "Personnel and Guidance Workers as Human Relations Consultants."

Dr. Patouillet To Speak

Dr. Raymond Patouillet, Assistant Professor of Education at the Teachers College of Columbia University will be the principal speaker. Dr. Patouillet has taught at the American University at Cairo and has been a special representative of the American Red Cross in charge of civilian relief in Egypt.

Dr. Rassias Will Speak

Dr. John Rassias, an instructor in the Modern Language Department, will conduct a convocation on Tuesday, Dec. 7. His topic will be "France Today." Dr. Rassias has recently returned from France where he studied last summer.

Students are further reminded of the Christmas Pageant which will take place on Thursday evening, Dec. 16 at 8:30. The pageant will be presented under the sponsorship of the Music Department and the Office of Campus Productions.

RICHARD HAYMAN who will play at the University's Christmas Ball.

NSA Conference Here Begins This Saturday

By SUE NAPELBAUM

According to an announcement by regional chairman, Jack Seiler of M. I. T., the 1954 New England regional conference of the National Student Association will take place at the University on Saturday.

Approximately 150 delegates representing forty different colleges and universities are expected to attend the all-day affair. Through the efforts of the student council on the campus and with the cooperation of the NSA Campus Commission, Bridgeport was chosen host to the assembly.

"The Role of Students and Student Government in Education" will provide the theme for the conference. This is the first of an annual conference series which will seek to give voice to the interests and problems of students at all NSA member colleges in New England.

Life Cover Girl Here

Among the delegates expected to be present is Wiwan Worawan, daughter of Prince Wan Waithayakon, foreign minister of Thailand who is also the Thai delegate to the UN. "Willie" Worawan was a cover girl for LIFE magazine on Oct. 14 of this year and received a substantial write-up in the same issue. She is the president of the Wellesley chapter of NSA and a regional representative for the national and international organization.

The National Student Association is a confederation of college student bodies in every part of the country represented in the association by individual student

governments through these elected representatives. It is a non-partisan, non-sectarian, non-profit, student-run educational association. Every student at UB through their Student Council is a member.

Continuous Research

NSA carries on continuing research, collects data and disseminates information on campus student problems. National and regional meetings are held to provide for the exchange of ideas on common problems, requests for information by foreign students are answered, and the organization publishes a series of publications on student and student government problems.

Internationally, the NSA carries on relations with national student organizations of more than forty countries of the free world. It operates a student travel program, which offers low cost tours to Europe, of which

(continued on page 4)

By RHODA WERNER

A harmonica craze is with us again at this moment, thanks mostly to a slim, bespectacled New Englander, Richard Hayman, whose Mercury Recording of "Ruby," on which he plays a harmonica solo accompanied by varied instruments, was among the top five best sellers in the nation in 1952. "Ruby" was the first top record featuring a harmonica to become a hit; the University's Christmas Ball, 1954, is featuring Richard Hayman and his Mercury Recording Orchestra. The University has always been fortunate in obtaining the top bands in the nation. Last year, Elliot Lawrence and in past years such bands as Kay Kyser and Charlie Spivak.

Opens Vacation

Before a booming vacation, students will enjoy an outstanding event of the year and with its top name band and student participation it should be a powerful beginning to the Christmas season.

This year Hayman's 15 years of hard work and experience have culminated in his establishment as a big name in the music field. For, in addition to his record popularity, Hayman had just been appointed head of artists and repertoire for Mercury Record's eastern office, a

(continued on page 2)

Hall Settlement Will House 1954 UB Blood Drive

With 200 pints as their goal, the University Blood Bank Committee will open its 1954 drive tomorrow afternoon at the Hall Home Settlement on Park Place. The drive is being sponsored by the school under the supervision of the Bridgeport chapter of the Red Cross.

Alphonse J. Sherman is the chairman of the drive that is being held for the second straight year. Last year's drive fell just short of its goal and Sherman is hoping for a better response from the students and faculty at tomorrow's donor station.

Mrs. James H. Halsey has been named honorary chairman of the drive, assisted by Mrs. Evelyn Shalvoy, Bette Weber, Stewart Christiano, and Marianne Lacy have been named to lead the student committee.

"Registration has been taking place for the past three weeks in Alumni Hall, but those who have not registered as yet do not have to do so in order to give," said Miss Weber, "so no one should feel that because he has not registered he cannot contribute to the drive."

THANKS A LOT

The exact tabulation isn't important, and besides. . . we don't have it. What is important, however, is the fact that you, the students of UB saw fit to vote yes for the raise in the Student Activity Fee.

For three years the same motion was brought to the student body and for two years it was defeated. This, the third year, and you, the third group of students to be faced with the Activity Fee Raise made, what we feel, a wise vote. The editors of the SCRIBE and the Student Council wish to extend thanks and congratulations to you.

You have been deluged with facts as to how this raise will help you. We won't go into that again. Facts may be gratifying to a certain extent, but to be fed with facts ad nauseam isn't too red hot. It is, however, a good feeling to know that for once the campus is becoming more unified than it has been, probably since the opening of the University.

The affirmative vote on this issue did more on this campus than just raise a fee four dollars a year. There is something intangible involved. . . something that (at the risk of waxing poetic and sentimental) leaves us with a good, warm feeling within.

In previous years, from the impression left with us, the student body was too concerned with its own personal welfare to worry about other clubs and organizations. Now, on the other side of the ledger, we are approaching a state of mutual understanding, i. e. the individual as a part of the society in which he lives.

Some of us may think that this viewpoint is a bit strong. This may be true, but if given a little thought it seems to be the only possible conclusion that can be reached.

DO YOU THINK THAT ALUMNI HALL SHOULD BE OPEN ON WEEKENDS?

JOAN MISLEY, Sophomore - Legal Secretary —

If Alumni was open on weekends it would keep more students here on Saturday and Sunday because it would give them some place to spend their time.

MARTY SCHWARTZ, Sophomore - Economics —

I think Alumni Hall should be kept open on weekends because it would prevent UB from becoming a suitcase college.

JACK ALDERMAN, Junior - English —

This would be a very good idea because it would give the students someplace to spend their leisure hours during the day and would be a convenience to the students living on campus.

NICK PANUZIO, Sophomore - Industrial Relations —

Speaking as a student I think it should be open. However, the cost is so great that the Board of Governors decided against it. They feel that not enough students will take advantage of it.

MARY LOU SARRA, Sophomore - Nursing —

Keeping Alumni open would definitely be a good idea. It would enable the students to be in closer contact with each other because it would give them a meeting place on weekends.

NANCY HUSKIN, Freshman - Commercial Art —

Definitely! It will help to make the weekends more enjoyable for those who stay on campus Saturdays and Sundays.

MARILYN GIANETTI, Freshman - Nursing —

Having it open on weekends would help break up the monotony in the dorms when there are no scheduled activities.

JIM PROFETTO, Junior - Phys. Ed. —

If more money is to be paid for the activities fee, Alumni Hall definitely should be open weekends.

DICK CIPRIANI, Junior - Phys. Ed. —

Dancing should be allowed over the weekends. This would create a stronger relationship among the students.

PAM HOUSE, Sophomore - Legal Secretary —

Yes! It would give the students a place to get together on the weekends when nothing big is scheduled. Another point. . . It would give dorm students a place to eat Sunday supper.

JOHN ESPOSITO, Senior - Phys. Ed. —

Yes! It would be very beneficial to the students that remain on campus over the weekend. Nancy and I feel that dancing would be a wonderful pastime. . . BUT WHO IS NANCY?

DAVID DEEP, Junior - Phys. Ed. —

Yes! I feel that along with the recent Student Activity raise this should be experimented with as one of the student benefits.

By Bill Wright with Lou Csiga

"In POC where every man's a king," so their song goes, but WHO's their Sweetheart? She'll be crowned at POC's Sweetheart Dance tomorrow night in Lenny's Wagon Wheel. Entertainment will be furnished by Campus Thunder's Sparkettes, with Wes Hobby, at his familiar place behind the microphone, doing the MC's chores.

Over the Thanksgiving recess, Barbara Gold and Marty Meyers of Hofstra College picked out the ring and announced their engagement.

Dick Kalm and Fred Mills, both of Theta Sigma, took off last Friday for Las Vegas. They left with a thousand dollars each and hopes for rapid multiplication.

Theta Epsilon started pledging yesterday with no less than 22 pledges. "Shorty" Lacey will be calling the signals for these two "football teams."

Schiott Hall is quickly cornering the "men market" on campus. Lynn Clark and Ted Sternklar of ADO are newly pinned. . . Edie Engelberg and Art Kramer of Temple University became engaged last weekend.

Home on extended furloughs from Fort Dix are George Fatse of KBR for 9 days, and Bob "Nabbo" Lee, who will be around for two weeks.

A new sorority will soon be appearing on our campus. Girls who are as yet anonymous have made a request to the IFC for help in organizing. Mrs. Marion Lunn will be the adviser to the group.

Maxine Rosenholtz and Bert Seigel look like a steady couple around campus.

President Sam Marks of POC and TE-Girl Audrey Friedman have announced their engagement, and she's wearing a ring the size of a crystal ball.

The Photography Club will hold its first meeting on Dec. 7 at 10 A. M. at Bishop Hall. Prof. James Fenner is their advisor.

Bernice Kmiec of Milford Hall collected a fantastic tan on her trip to Florida over the Thanksgiving recess. She figured that it cost her about \$5 a square inch.

Don Kern and Honora Hopp are going steady.

Martha Peck of Stratford Hall and Bernie Gross of New York University also announced their engagement over the vacation.

Doris Bowden has been asked to represent UB at Mademoiselle magazine's "Prix De Paris" program in New York.

The Snack Bar will be open Saturday to do business with the masses attending the three conferences here.

Jackie Wagman has her eye out for Herby Block. Who is the Baltimore Kid? ?

CHRISTMAS BALL

(continued from page 1)

job that will have him handling recording sessions of such names as Patti Page, Georgia Gibbs, Vic Damone, Ralph Marterie and The Gaylords. Hayman and his band open at the beautiful new Fountaine Bleu Hotel on Miami Beach, three weeks after his date at UB.

Also Writes Songs

Hayman himself has written a piece called "No Strings Attached," which has been recorded by Arthur Fiedler and his Boston Pops Orchestra and has now become a standard in his repertoire. Hayman, of course, is delighted with his newly found popularity and UB is fortunate to have a prominent to support the theme for the dance and to lend a pleasant note to the evening.

This highlight of the social calendar is among the activities received under the Student Activities Fee. Tickets from the activities book must be converted into dance tickets between Dec. 6-13 in Alumni Hall.

The Social Activities Committee is extremely grateful to Mr. John Misley, who designed the jackets for the dance programs and gave them to the committee for use at the dance.

HOWLAND'S

Howland's Men's Furnishings - Street Floor

Well, with the football and soccer seasons over and basketball upon us, Larry Babich has turned in his typewriter for a round football and this column will have to be taken over by yours truly and Dick Johnson for the duration. Good luck, Larry, and hurry back to the fold of aspiring young journalists.

The fall sports program at the University ended up below the five hundred mark with a 9-10 slate, soccer bringing in all the wins and football nine of the losses, but no one should deride the grid squad for their performance.

True, they didn't win a ball game all year and were soundly beaten by all but one opponent, but one thing is sure, they were out there every week, absorbing that punishment in the face of insurmountable odds. Most of the teams they faced outmanned them two to one, not counting injuries, and still they didn't give up.

To those who played their hearts out, and that's all of them, we bow low, for, if not a winning effort, a gallant effort. To the seniors, whom it hurt more than anyone else, good luck in the future whatever you do and wherever you go.

Out of the mire of nine losses, Dick Cipriani, who closed out the season with 28 pass receptions for a total of 319 yards and two touchdowns, placing him third in the nation among small school ends in the number of passes caught, emerged into the Knight spotlight.

To the soccer team and their great record we again bow. When the season started they were just another soccer team. Now they are ranked among the best in the East with three members of the club up for All-American honors.

Trying to find the high point of the booters' season, we look past Mike Belmont's record of 17 goals, Jimmy Davins' great performance in the twines and Gordie Cochrane's playmaking, and must compliment the defensive work of the entire team, without which there would have been a different story to tell here.

Bill Madden Is Voted MVP In Both Intramural Loops

by Dick Johnson

The 1954 Intramural All-Star Teams in football and volleyball, led by Bill Madden, who was named the Most Valuable Player in both leagues, have been released by Nick D'Aluisio, Director of Intramural Sports.

Madden, playing for Sigma Phi Alpha, copped the coveted prize in football by being the league's high scorer with 50 points, and in volleyball for his fine all-around work.

The football team is: LE - Madden (SPA); LG - Charlie Petrino

(SPA); C - Bernie Milove (POC); RG - Timmy O'Sullivan (Trumbull); RE - Fred Topham (TS); QB - Dick Giansello (SPA); RHB - Bill Kennedy (Trumbull); LHB - Dick Chantland (APO); FB - Ernie Amaral (SPA).

The volleyball squad: Madden (SPA); Jack Martin and Sam Marks (POC); Fred Cirlin and Bill Barstow (Trumbull); and Owen Kroeger (Engineers).

A second team and honorable mention were also voted upon in the football league, with Larry Babich (Parks), Dick Ellis (APO), Mickey Vail (SPA), Marks and Jim Davins (SPA) reading across the line on the second team, with Harry Peters (Parks), Stan Silverberg (Parks), Herb Steinberg (SLX) and Barstow in the backfield.

Honorable mention went to Don Heath (TS), Stu Randall (Parks), Bill Bevacqua (SPA) and Jerry Dunn (SLX).

Volleyball honorable mention went to O'Sullivan, Steinberg and Bevacqua.

Knights To Meet Manhattan Five Tomorrow Night

After two preps against state rivals in scrimmage sessions, and last night's warmup against an Alumni five, the Purple and White hoopsters will travel to New York City tomorrow night to face Manhattan College in their first intercollegiate test of the season.

The Knights will be opening their defense of the New England NAIA championship, which they won last year by defeating American International College.

Seven veterans and two men from last year's Junior Varsity five will take the floor tomorrow to face the Jaspers as the Knights try for their first win over the New Yorkers. Manhattan won last year's fray 78-65 and lead 3-0 in the series.

Jimmy Davins, Jack Liggins, Stan Silverberg, Ernie Amaral, Bill Duggan, Harry Peters and Sam Bernstein will be returning for Herb Glines' outfit and Larry Babich and Vin Gentile are up from the JV's of last year.

The Knights will meet Rider College in Trenton, N. J. next Thursday and return home to meet Yeshiva University in the Brass Recreation Center Dec. 14.

Swimmers Open Next Wednesday

The University will unveil its 1954-55 swimming team next Wednesday, with the opening meet of the year against the Jaspers of Manhattan College in New York.

Coach Walt Kondratovich at the helm of the aquamen will be out for the first of a series of predicted victories.

Ellis Captain

Captain Dick Ellis, last year's top point winner, who also is the holder of three UB swimming records, will head the list of six returning lettermen. Returning with Ellis are Bill Piassick, Mark Winick, Bob Vossler, Dick Chantland and Bob Mendes.

Piassick, last year's star backstroke swimmer with the U.S. Marine team in 1952-53, Winick and Vossler are top-notch free stylists, while Chantland is tops in the middle distance events. Mendes returns to bolster the breast stroke events.

Ten Newcomers

Ten new aquamen have come out for the Purple Knights' swim team. Those showing good pre-season promise are Charlie Anderson, Dick Leigh, Stu Ornstein, Howie Broder, Don Dolan, Jerry Le Pac, Joe Kraynak, Bob Huskel and Bob Fleming. Eddie Hall is vying for the diving spot on the team.

Gridders Lose Ninth Straight To End Poorest Season Here

Going down to their ninth straight defeat, a 12-6 loss to Quonset Point Naval Air Station, the Purple Knight gridiron team closed out its poorest season in the school's history, losing nine times in the same number of contests.

Booters Close Best Season With 2-1 Win

The University's soccer team closed out its most successful season in history by defeating Fordham University 2-1 on Nov. 20 to gain their eighth successive win and ninth of the season against only one loss.

Mike Belmont scored goal number 17 and Nick D'Aluisio booted home his first tally of the year in the Fordham win in what coach John McKeon called their "must" game. "If we had lost," said McKeon, "we would have been just another good soccer team, but the win gave us 9-1 and they won't forget us for a while."

Only two seniors, co-captain Tommy DeNoto and fullback Jack White, were listed on the Knights' roster and McKeon is looking forward to next season when the remaining nine starters and several reserves return, and a fine crop of freshmen become eligible.

The 1955 squad will be playing New England Soccer Alliance foes for the first time. The Knights were admitted into the conference before the present season, but too late to enable them to schedule league opponents.

2nd Annual Hoop Contest Begins Today

The second annual SCRIBE basketball contest is underway. Once again the merchants of the Bridgeport area are donating prizes for UB students who can pick the winning teams in the Knights' final eighteen ball games, or come closer than anyone else can.

To enter, all you have to do is fill in the entry blank, available near the ballot box in Alumni Hall. Your judgement of who will win the last eighteen games of the season is the primary point in determining the winner. The second most important point is to put down what you think the final scores of the games will be.

The nature of the prizes to be awarded will be disclosed in the next few editions of the SCRIBE.

RULES:

1. You must be a student (full or part time) at the University.
2. No more than one entry will be accepted from each contestant.

Mud and intermittent rain marred the final game that saw the Knights take a 6-0 lead at half-time, only to slacken off in the second half to lose. Eddie Hall scored the lone Bridgeport TD, while Frank Brill hit paydirt twice for the Flyers.

Hall, who had been making circus catches in the last three games, finally scored after grabbing one of them, as Don Ardito passed to the "Rebel" who took the ball on the Quonset 15 and outraced the Flyer defense for the score.

A solid defensive line held the service eleven for small yardage in the first half, but following the intermission Quonset's line, led by 275 pound Linmore Owens sprung Brill free for touchdown runs of 48 and 23 yards to trip the Knights.

Brill scored his first six points early in the third quarter and the game developed into a duel of fumbles and punts until the Purple and White made their final drive late in the fourth quarter.

With Ardito pitching to Dick Cipriani and Johnny Esposito and Dick Fresolone eating up large chunks of yardage, the Knights drove down to the Flyers' 7 yard line where, on fourth down an Ardito aerial was intercepted by Jack Gallant five yards in his end zone and run back 84 yards to the Knights' 21. Three plays later Brill was off and running with the final score of the day, cutting off tackle for 23 yards and a touchdown.

Eight seniors donned the Purple and White for the final time, with stellar tackle Harold Trischman on the sidelines because of a severe knee injury. The status of Dick Fresolone, who has one year of eligibility remaining but is scheduled to graduate this June, is still up in the air.

Fresolone, however, will be feted with the other seven seniors at the All-Sports banquet on Dec. 11. The seniors include Fresolone, Trischman, Esposito, Ardito, Joe and Fred DiDomenico, Roland Emery, Frank Alois and Howie Shapiro.

3. Decision of the judges (Alfred E. Lepow, Director of Sports Publicity at the University, Mickey Vail, Editor-in-Chief of the SCRIBE, Bob Mendes, Managing Editor of the SCRIBE and Dick Johnson of the SCRIBE Sports Staff) is final.

4. Entries must be deposited in the ballot box no later than noon, Thursday, Dec. 16, 1954. No entries will be accepted after that time.

5. Members of the SCRIBE staff, varsity or freshmen basketball teams or families of the coaching staffs are not eligible to play.

ORCHIDS

We see by the papers that the football and soccer seasons are over and done with for another year (if we may intrude on the world of sports. . .). Congratulations are in order for the soccer team. They had a wonderful season. The football team is a Knight of a different shade-Purple. Special congratulations are in order for the gridders. We are writing this column not as a football player, but as a newspaper columnist.

We don't suppose that there are many readers of this column that know exactly what it involves to go on a field week after week and face a club that has at least twice the personnel. It's very disheartening to run out on a field with 18 or 20 other boys in purple uniforms, go through your calisthenics and then see your opponents come onto the field 40, 50 or even 60 strong.

It was very disheartening to be playing against New Haven. UB substitutions were made few and far between. . . New Haven used something that looked like a platoon system. Fresh teams were running on and off the field all night long. Very discouraging indeed.

Another factor not too good for morale is to realize that your coaches are also outnumbered. Two coaches

(two minds. . . count 'em) doing the job for which other schools allow at least four men, sometimes as many as seven. No matter how clever and shrewd two coaches are, without any assistants, they have one huge job to perform.

We are not trying to make excuses for the football team. It was a terrible season. True, no matter how big a bench a team has they can only field 11 men at a time. Our opponents had teams that, if the first string wasn't having a good day, there was always the second and third teams. UB's first string, at some parts of the season consisted of any 11 men who weren't injured.

Around mid-season the big question was, "Can the football team finish the season?" They finished! No matter how bad the team looked on paper at the end of the season every member of the UB '54 football team knows deep down inside of himself that he helped do something that wasn't supposed to be. . . Finish up! To quote Knute Rockne when told that his team was good losers after dropping a hotly fought game, "Good, hell they were perfect."

A typical facetious comment in athletic circles after a bad season is that the coach was building character. If that is the case then lots of character was built at Seaside Park this fall, and lots of covert courage was brought to the fore. Unbelievable though it may seem. . . not one person quit the football team this year without medical reason. That's heart. That's also a record for any coach to be proud of.

Soccer team: You had a great season. It's impossible to say otherwise. . . But football: You too can be proud and hold your heads up. Two Green Deep Purple orchids for two hustling Purple Knight ball clubs.

School Enrollment Makes 13% Jump Over Last Year

by John Goerig

The total enrollment of students currently attending the University has increased 13% over the school term 1953-54. Dr. Henry W. Littlefield stated that prior to this year there were 2,531 students matriculating. There are 2,830 presently enrolled, an increase of 299 undergraduates.

1,370 Day Students

In the day-division, there are 1,370 in attendance, including 70 in the Reading Laboratory, of which 15 are college students. The evening division numbers 1,460.

Many veterans are taking advantage of the opportunities offered under Public Laws 346 and 550. The number of World War II veterans attending are 277, 30 in the day classes and 247 in the evening school. There are 373 Korean veterans enrolled, 221 are in the day division and 152 in the evening section.

More Women

Dr. Littlefield stated that "Women are in greater enrollment than ever before in the Fones School of Dental Hygiene, the Weylister Secretarial School and the College of Education."

There are 342 college students living on campus, 121 men and 221 women. Thirteen students, representing 10 foreign countries, are also studying at the University.

NSA CONFERENCE

(continued from page 1)
last year six UB students took advantage.

President James H. Halsey and Richard R. Barrett, president of the student body will give the welcoming addresses for the administration and students. The keynote address will be by the Dean of Student Body of M. I. T. Several Regional and National officers will be present.

Chairmen Announced

Dick Barret announced that Ted Brooks and Jack Barrett, co-chairmen of UB's campus commission, are handling the details with the cooperation of members of the Student Council. The results of the commission and sub-commission sessions will be presented to the National Ex-commission for consideration as national policy of the U. S. NSA. The Student Council extends a welcome to any student interested in leadership training, student government, political training and information concerning national and international student activities as well as objectives for student activities. Registration will take place at 9 A. M. at the Little Theater.

Address Tel.

All entries must be in the ballot box by noon, Thursday, December 16, 1954. No entries will be accepted after that time. Decision of the judges is final.

REFERENDUM PASSED

(continued from page 1)

Council Doubles Take

Most of the extra money will go directly to the large groups including athletics, social activities and the yearbook, but Council will almost double its intake, giving them more money than ever before to allocate to campus activities.

In the past, Council received only \$.25 out of each six dollars and out of that amount had to allocate money to almost fifty groups.
